Hello again Legion Family. As you might guess, a lot has been accomplished since the last issue of the Legionnaire with more to come.

Our Department was honored to host a visit by our National Commander, Mike Helm, who visited Post 24 in Tombstone and got to do some sightseeing; Fort Huachuca Army Base; Post 109 in Corona; Post 36 in Tucson; Posts 56 and 19 in Yuma; and the Yuma Marine Base. Thank you to all of the Posts that provided dinners, goodie bags, and gifts to our National Commander. He enjoyed his time in Arizona and sends his “Thank You” for the Arizona hospitality.

I was privileged to attend five more VA Town Hall Meetings; two VSO Meetings at the Phoenix VA and a quarterly meeting at the Tucson VA. On May 14th, I attended the Prescott VA Medical Center Ribbon Cutting of the new VA Mental Health Unit that is now open to treat our Veterans. It is a two story building that will provide care for men and women Veterans; each with a private entrance.

My trip to Indianapolis for the National Spring Meetings was productive and I attended at least two sessions daily. Our NEC, Dick Perry, will cover some of the resolutions and upcoming issues at the Department Convention.

The ALR Western Romp will be in Heber-Overgaard at Post 86 the first weekend of June and I have been invited to bring greetings.

As the end of my year of service as Department Commander nears, I want to take this opportunity to say “Thank You” to all of the Posts in the Department of Arizona that allowed me to participate in your functions and the dinner invitations and gifts. This has truly been a year that I will remember for the rest of my life. It has been an honor to serve you and all Arizona Veterans.

Thank you all for your efforts in membership, so much so, that the Department of Arizona was awarded the National Commander’s Eagle Award for the second year in a row for surpassing the

Riding Season Finally Here

Riding season for the ALR is finally here; which means not only a lot of riding, but a lot of fundraising for our Veterans and our communities. ALR 46 (Bouse) hosted the Colorado River Blues Festival in Parker at the Bluewater Casino. Proceeds from the raffles and donations came to $2,300, which was donated to Operation Comfort Warriors. ALR 46 was given special recognition from our National Commander, Michael Helm, who awarded the riders with “Stay On Course” pins.

ALR 117 (Phoenix) held its 3rd annual “Tillman’s Ride” in March, and had more than 450 registered riders. The two charities for the ride were the 100 Club and the Military Assistance Mission. They raised $13,000.00 which was given to the charities!

ALR 24 (Tombstone) hosted the Blind Vets from the Tucson VA, where they were brought to Tombstone as part of their training and rehab. ALR 24 provided a meal for them and then took them on activities in Tombstone, including a tour of the OK Corral, riding the Tombstone Trolley, attending the Comedy Gunfight at Old Tombstone Western Town, and touring the World’s Largest Rose Tree. The Riders paired up with them to guide and assist as needed. One of the participants bought a cutting of the Rose Bush and stated he may never see it, however he can touch and smell it daily.

In April, ALR 58 (Fountain Hills) hosted their second annual Spring Legion of the Silver Rose Induction Ceremony. Approximately 300 guests attended the Ceremony that inducted 16 brave Veterans to the Legion of the Silver Rose, three posthumously. Approximately 30 riders from California ALR Chapters also attended. The Ceremony featured a 16 car motorcade, carrying the inductees, followed by approximately 180 motorcycles that was escorted by members of the Arizona PGR and officers of the Maricopa County Sheriff’s Office. Music and food followed making it a memorable day for those that attended.

ALR 97 (San Tan Valley) sponsored a fishing derby for kids under 18 in April. Members manned the BBQ grill and served over 200 hot dogs, chips and drinks for 97 anglers and their families. The youth, while enjoying their hot dogs, caught catfish in the four pound range. A variety of prizes were given to the anglers. The derby chairman said “Thanks for the help. The event would not have been the same without the ALR.”

An ALR Rider from ALR 131 (Green Valley) spent most of the year at home sick, fighting cancer. However, he still found time to write books, which he sold through Amazon and to Veterans by word of mouth. From the sales of his book, he was able to donate in excess of $20,000 to Veterans’ charities such as the Wounded Warrior Project and Fisher House.

We still had time for fun – ALR 93 (Camp Verde) stepped up at the last minute to host the annual AZALR Campout in April, which was a great success by all standards. Our quarterly statewide meeting was held in April at ALR 8 (Casa Grande); and ALR 86 (Overgaard) is ready to host the Western ALR Romp in June, where ALR Riders from throughout the Western Region will come to Arizona.

Cross Country Action This Spring

Here we are again, enjoying the beautiful weather in Arizona. March came in quietly for all to enjoy the annual District 12 Picnic held at Post 41 this year. Then it was two days at the State Capitol for different Veterans bills being heard on the 3rd and 4th. On the 5th it was off to a Townhall Meeting with ongoing VAMC issues at the Veterans Administration Offices.

March 8th, I attended the District 11 Meeting at Post 1, then another legislative hearing at the Capitol on the 9th. I hope everyone celebrated the Legion Birthday; I celebrated it on the 14th at Post 19 in Yuma, then attended the District 1 Meeting on Sunday. Monday morning was another trip to the Capitol for a hearing on Veterans Affairs.

Saturday the 21st was a busy day, in the morning, I attended the General Meeting at Post 1, then that evening, it was off to the District 11 Rehab Auction and Dinner. Rumor has it that it was the best one in a number of years. Finally, on the 27th, I had the pleasure of attending the introduction meeting of our new Director of Veterans Affairs for Arizona, Col. Wanda Wright. Saturday and Sunday I attended the annual celebration for Veterans at the Salt River Pima-Maricopa Reservation POW-WOW sponsored in part by Post 114, where they honored two Veterans with warrior blankets.

April started off with a final confirmation hearing for the new State VA Director, Col. Wright. The 7th of April was also a busy day, I attended a wonderful event at Post 62, held in conjunction with Post 94 in which eight WWII Veterans were honored by the French representative with the Legion of Valor: the highest honor the country bestows on a person. Then it was across the valley to Post 114 for their General Meeting at 6:00 pm.

The 15th was another busy day, first it was off to Post 64 for their General Meeting, where a presentation was held showing the Vietnam Wall Park Project which will be constructed in Gilbert starting next fall. From there it was off to Post 35 for their General Meeting then a quick stop at Post 91 on my way home. I ran into the District 12 Commander at Post 65’s General Meeting, and then on Monday was Post 55’s evening for Bingo at the Veterans Home. The next day, I attended the VAVS meeting at Post 1. On the 23rd, it was off to Post 44 for the Commanders Homecoming, and it was a great event. I finished off the month with a Legion business meeting at Post 39.

May has been good so far. I attended a conference on a project by the United Way which hopes to eradicate Homeless Veterans in Phoenix by next year. Then on Saturday a trip to Gilbert where a press conference was held to introduce the Vietnam Wall Project by Rick Romley and local mayors.

I wish to thank everyone for the invitations to events throughout my year. I have enjoyed meeting wonderful people serving our Veterans. Congratulations to the Area B members we WILL make 100%!! Thank you Commander Jamie for a great year!

I STAND UP FOR ALL VETERANS!

Lest We Forget

For some unknown reason human memory just isn’t very good. If it were, we would learn from the mistakes we’ve made in the past and not repeat them. Unfortunately, this is not the case and we simply continue to march along to the same drummer and messing by the numbers. Internation: relations are enough to bogg! the brain and the death tc worldwide from one war another is frightening. We forgotten.

Only recently, we observed Mc Day. The average America likely views this as just holiday; reason for celebrati- a paid day off from the salt Relatively few, percentage actually spend the day as it intended; honoring our fi. Veterans. The sad part of this story is that there are newly fallen Veterans to honor every day. It should be a historical function where we are honoring those who fought to maintain our freedom long ago. But mankind has forgotten.

This nation was established because people were in search of religious freedom; the right to worship their God in their own manner. Yet so many wars, be they big or small, are pursued today because of religion.

We keep forgetting. It didn’t work before and it’s unlikely to work this time. Each of us is entitled to freedom of worship.

In summation let’s remember to always respect the other persons’ right to worship and our duty to honor our fallen Veterans.

Department Convention is right around the corner. Hope to see many of you there.

For God and Country,

Carol Stensby, Chaplain

Al Kitts Takes Honor Flight

Al Kitts, Past Commander of William Bloys Post 2 in Tempe, was on the recent Honor Flight with fellow WWII Veterans to see the WWII Memorial in Washington, D.C. He was accompanied by Dave Grey, Commander of William Bloys Post 2.

It was a very overwhelming experience for both Al and Dave; one they will remember for a long time.

Al Kitts was born on August 10, 1925 in Phoenix Arizona and moved to Tempe Arizona at the age of 4. He joined the Army in 1943 at the age of 18 and served until 1945. At the age of 19 he saw the Battle of the Bulge and was wounded in action at the Rhine River in Germany when a grenade went off and shrapnel went into his arm. He was with the US Army 75th Infantry Division attached to the 291st Infantry Unit.

A Culmination Of Memories

Where has the time gone? My year as Area C Vice-Commander is coming to a close and it is difficult to remember all of the things I’ve been involved in representing the American Legion Department of Arizona. It isn’t necessarily the “big events” like the opening of the joint venture of the Indian Health Services and the Northern Arizona VA Health Care System Veteran’s clinic in Polacca, AZ or the opening of the just completed Mental Health Building at NAVAHCs that necessarily stand out in my mind. Most of the time it’s the more routine things like attending post meetings and getting to know the members, or discovering the pictures and displays in their posts.

Serving Veterans starts at the street level; that is, thanking a Veteran you see on the street, parking lot, or in a store for his/her service. Inviting them to a post meeting, or to join the American Legion, or helping them with an issue…it’s on a personal level. It is this one on one action, one Veteran helping another Veteran that really makes the difference. While the American Legion leads the way nationally on Veteran’s issues, it is the personal touch and the day to day serving of Veterans that grows our ranks and makes us that strong national voice. Being a strong Veteran advocate starts with you and from what I’ve seen in my travels, you are being true to that advocacy and you are doing great things for the Legion, Community, State, and Nation.

Thank you all for the honor and privilege of serving as your Area C Vice-Commander this year. It has been a great ride!

American Legion Riders from Area C met at Post 57 in Ash Fork last week and then headed for the County Line Road overpass with 30+ American Flags and cheered on the “Run for the Wall” riders that started out in California and were heading down I-40. The riders have been doing this for many years and it just fills you with pride and joy…especially Vietnam Veterans. The pickup truck was full of kids from Ash Fork that were also cheering on the riders. What wonderful kids…gives me great hope for the future of our country!

Another large group of riders left from California and came through Phoenix on May 13th in the evening. One of the riders on the southern route is John Beeler from Pinetop-Lakeside who is a member at Oliver-De Clay Post 60 in Whiteriver. This is John’s second time doing this; last year he went on the northern route. Safe travels to everyone participating in the “Run for the Wall”. For more information and to keep track of where the riders are, follow them on www.rftw.org.
