PURPOSE

The American Legion believes that our young people have a strong sense of patriotism and a high regard for law and order. The objective of the American Legion Law Enforcement Career Academy (ALLECA) is to provide a first-hand look at the role of a police officer in promoting and safeguarding America's freedom and rights. As only one of 17 such programs in the Country, it is the belief of the Department of Arizona that the young men and women who take part in the ALLECA program will develop favorable attitudes toward law enforcement and will spread those attitudes throughout their communities and among their peers. **The ALLECA program is not a "boot camp" or a camp for problem or incorrigible, unmanageable teens.**

THE PROGRAM

This could be described as a one-week mini-police academy. Sessions are planned annually during summer vacation. Discipline is strict with vigorous physical training, running, and calisthenics included. Training begins at 5:00 a.m. and concludes at 9:00 p.m. each day after which, clothes will be washed, and dormitories cleaned. Obstacle courses and defensive tactics are planned. Various government and criminal justice officials will be guest speakers. Basic instruction will be by certified police officers from various Arizona police agencies.

QUALIFICATIONS

All applicants must either be enrolled in a recognized school or have just graduated. They must have reached their **11th birthday in the month preceding the academy or have not reached their 19th birthday** by the start date of the academy. **They must be proficient in English, must be of good moral character, present a neat appearance and come well recommended by a school and pass a physical fitness test.** The applicant does not need to be a relative of a member of the

American Legion or any other organization to be admitted. **Due to the rigorous training and stress involved in this semi-military type of academy, the application of those who may require a special diet or medication may be rejected.** After screening on the opening Saturday by an ALLECA staff officer, any applicant may be denied admission. Before reporting to the camp, it is recommended that the applicant run daily and do calisthenics to ensure that he/she is in top physical condition.

NO CONDITION OF RACE, COLOR, SEX, RELIGION OR NATIONAL ORIGIN IS A PRE-REQUISITE FOR ADMISSION.

APPLICATION

Official application forms may be obtained from any local Post of the American Legion, a high school counselor, the advisor of any Police Explorer unit, a local police agency or the Instructor of a Junior ROTC unit at a high school. When completed, the application should be mailed to:

**ALLECA Program
ATTN: Matt Griffis, Director
P.O. Box 750
Cortaro, AZ 85652-0750**

All applications must include the completed physical form included with the application package, the school or home school endorsement, the approval of a parent or legal guardian, and pass the physical fitness test.

Note that the physical exam may only be performed by a duly licensed Medical Doctor, Doctor of Osteopathy, a Physician's Assistant or a Nurse Practitioner. The physical exam must be completed within 180 days of application submittal. School nurse endorsements are not acceptable.

ACCOMMODATIONS

All cadets will be quartered along with the counselors in multiple buildings. They will be responsible for the maintenance and cleanliness of their quarters, which will be subject to inspection at any time by any of the counselors. Beds are to be made each morning according to the instructions of their advisors. Latrines are to be maintained daily. Cadets will also be responsible for the policing of outside areas and of the facilities used for instruction and for dining.
