

mayoclinic.org/livingdonor

Dear Potential Donor,

Thank you for your interest in becoming a living donor. Your health, safety and well-being are our top priority throughout the donation process.

The first step is to fill out an online Health History Questionnaire. Complete the form when you have adequate time and space to concentrate on each question. Before you begin, please obtain your current height and weight.

Using a laptop or desktop computer, visit mayoclinic.org/livingdonor to get started.

Once you have completed the questionnaire, your information will be reviewed by a Living Donor RN Care Coordinator. If you are a possible candidate you will be contacted. If you have questions at any time, please contact us at:

480-342-1010

Thank you in advance for your generous offer to be a donor!

Visit our living donor toolkit to learn what living donors can expect with tests and screening, the procedure, risks, recovery, financial information and more.
