Joey Cilano, Phoenix

Dear Counselor/Staff:

This year we are celebrating the 75th year of The American Legion Arizona Boys State. Boys State is a leadership action program where high school juniors participate in a practical governmental course designed to develop a working knowledge of the structure of state and local government. **This year's session will be held JUNE 4TH through JUNE 10TH.**

Our webpage will be updated soon.

During the week of Boys State, students will organize city, county, and state government bodies, run elections, learn about lobbying, participate in juries, give speeches, and build bonds that will last for their lives. The week is intensive and strenuous, but also exhilarating and fun.

It is MANDATORY that the student attends the whole session. The student should keep this in mind when he schedules SAT tests or plans on attending other seminars. If he can't attend the entire session, please select another student.

The registration fee (for delegates only) is \$150.00 and can be paid online as part of the registration, or if the student or parent wishes to pay by mail, a check is due to The American Legion Department of Arizona not later than APRIL 10th. The American Legion Posts and private donations provide the balance of the funding.

Once students are chosen, please have them register at: <https://azlegion.org/azboysstate/apply>

If you have any questions or need to replace a delegate at any time, please call our office at (602) 264-7706 Ext. 101.

Sincerely,

Larry Bahill
Director
