

CALLING ALL **LEADERS**

Boys State is the nation's oldest civics and youth leadership program.
A few of the best juniors from Arizona's high schools are selected to create and run a fictional 51st state - Boys State. Learn by doing!

Run for Office

Boys State delegates campaign for political offices at the city, county, and state levels, then create and execute the laws that govern Boys State.

Try Cases in Court

Delegates that pass the Boys State Bar Exam can become lawyers and try cases in the Boys State courts - or decide cases as judges and jurors.

Become a Better Citizen

All delegates learn about the legislative process, the criminal justice system, civil rights, and civic duties, as well as college and career opportunities.

Join us: June 2-8, 2024 in Flagstaff
