

Renew for 2025 with a multiyear membership!

The American Legion JAN 23, 2024

If you renewed for the 2024 American Legion membership year prior to the new multiyear membership rollout on Dec. 4, you could now take advantage of a three-year membership starting with the 2025 membership year.

Visit legion.org/renew for the multiyear membership for 2025, 2026, and 2027.

Legionnaires still needing to renew for 2024 or veterans joining the organization for the first time can also lock in a three-year membership (2024, 2025, and 2026) by visiting legion.org/renew or legion.org/join.

Here is what you need to know about the three-year membership:

- Multiyear membership sign-up is only available on the national American Legion website (legion.org/renew and legion.org/join). Current or potential members cannot renew or join for a three-year membership at the post level or through MyLegion.org.
- Payment for the three-year membership will be upfront.
- There is not a discounted rate with the three-year membership.
- Membership cards will still be sent annually by Legion posts.
- Those who sign up for a multiyear membership will not receive a renewal notice during the time they have signed up for the multiyear membership.

Please note that the multiyear membership will work just like PUFL. Whatever rate the member renews at is what the post/department/national will receive for the duration of that timeframe. For example, if a member renews today (before the national per-capita \$5 dues increase comes July 1, 2024), National will receive \$18.50 for the next three years. For example, if a department's per capita is currently \$10 and is going to be raised to \$15 on July 1, 2024, then the department will receive the \$10 for the next three years. Once the member renews after the three-year renewal is up, the renewal rate will adjust to the rate at that time.

A multiyear membership was approved by the National Executive Committee of The American Legion during the organization's Spring Meetings last May. Resolution 1: Purchase of Multiple Years of Membership approves "a five-year pilot program offering the purchase of three consecutive 12-month member terms at the then current dues rate."
