Greetings Fellow Legionnaires,

I hope this this directory will be useful to you as we conduct our various levels of business throughout the year. I want to encourage you to use the Directory as it appears on our Department Website, as it is updated periodically when changes are necessary. If you choose to print a copy, please note that it will be valid only until the next online update.

I thank you all for your trust and confidence by allowing me to serve as your Commander for 2025-2026. I have found that we can be a mighty force when we put our collective efforts and remarkable talents to good use. As we serve together in every way, the tasks become more manageable and great things happen. It is my goal that every Legionnaire discover the great value they have to their brothers and sisters, and the community state and nation. Afterall, we are Veterans Strengthening America. May we be the national example of how this is done.
