Calm Room Ribbon Cutting March 1

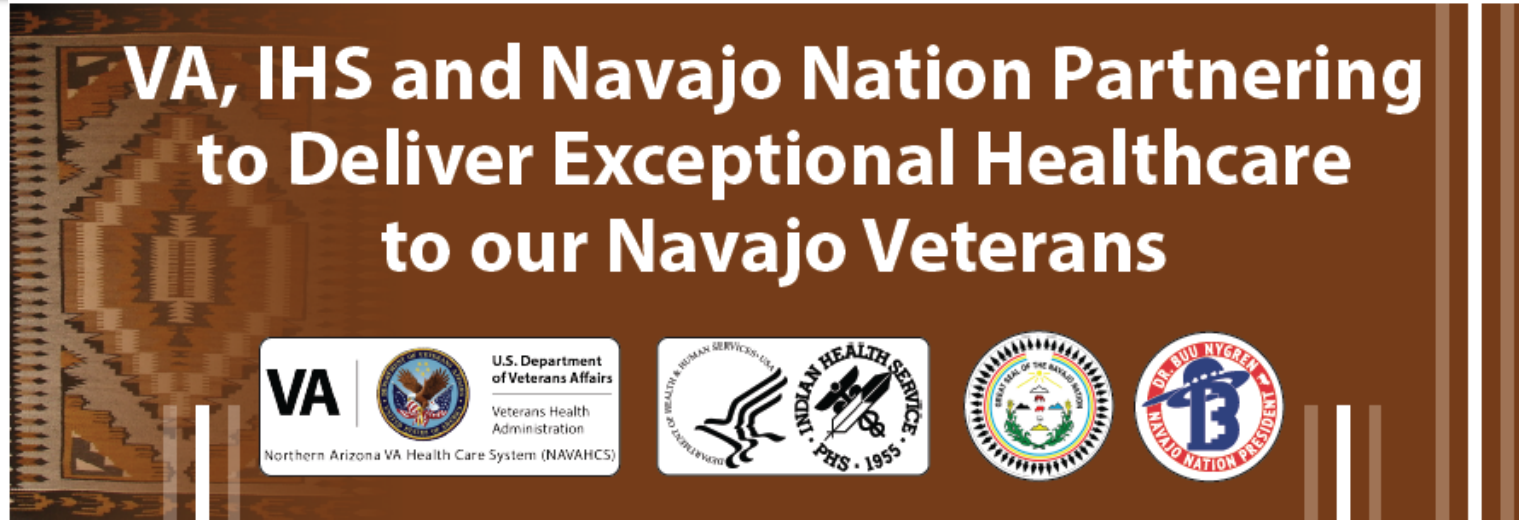

- Our Domiciliary celebrated the opening of a Calm Room for its residents to use. The VFW 541 donated about \$5,400 for the project.

Features:

- Bubble walls
- Lighting system
- Sound system
- Infinity mirror
- Lounge cushions
- Tactile objects
- Fidget toys, stress balls, etc.

- We'll be hosting a ribbon cutting at our Kayenta VA Clinic located inside the Kayenta Health Center (394 3 US 160, Kayenta, AZ) on March 20 to celebrate an expansion of services. We'll kick it off with speakers from 11-11:30 a.m. and continue with a small Resource Event until 2 p.m. so Veterans in attendance can easily sign up for VA health care.
- The clinic will begin offering 5-day-a-week, face-to-face primary care services.
- Our Chinle clinic began offering the expanded services in January, and similar expansions will continue at our Polacca and Tuba City clinics later this year.

DID YOU SERVE IN THE MILITARY?

COMPACT ACT

We want all Veterans and former service members to know that they can get free, emergency suicide care when they need it, no matter where they are.

We break down what this means for you and your loved ones should you need emergent suicidal care.

PACT ACT

The PACT Act is a new law that expands VA health care and benefits for Veterans exposed to burn pits, Agent Orange, and other toxic substances.

The PACT Act adds to the list of health conditions that we assume (or "presume") are caused by exposure to these substances. This law helps us provide generations of Veterans—and their survivors—with the care and benefits they've earned and deserve.
